

2022 - 2024

# School Improvement Plan Summary

## Melrose Primary School

Site Number: 0253

Goals	Targets	Challenge of Practice	Success Criteria
To increase achievement in grades in Mathematics.	<p>2022:</p> <p>47% of years 1 to 6 students (9 out of 19 students) to achieve a B grade or better in Mathematics for their end of year report. (Semester 1, 2021 - 30% of years 1 to 7 students - 9 out of 30 achieved a B grade or better in Mathematics) and that 2 out of 6 students (33%) will achieve in the higher bands in NAPLAN.</p> <p>2023:</p> <p>50% of years 1 to 6 students to achieve a B grade or better in Mathematics for their end of year report and that (36%) will achieve in the higher bands in NAPLAN.</p>	<p>If we develop each teacher's capability to facilitate common problem-solving strategies and use a common language of mathematics by providing opportunities for students to independently identify, discuss, compare, and interrogate different solutions and approaches then we will increase achievement in mathematics.</p>	<p>We will see an increase in mathematical achievement in each student, by all students</p> <ul style="list-style-type: none"><li>o using problem solving strategies successfully with evidence</li><li>o speaking a common language of mathematics</li><li>o being able to independently problem solve</li><li>o naming strategies used.</li></ul>
	<p>2024:</p> <p>50% of years 1 to 6 students to achieve a B grade or better in Mathematics for their end of year report and that (36%) will achieve in the higher bands in NAPLAN.</p>	<p>2022:</p> <p>36% of years 1 to 6 students (7 out of 19 students) to achieve a B grade or better in English for their end of year report. (33% of years 1 to 7 students [10 out of 30 students] achieved a B grade or better in their Semester 1, 2021 report)</p> <p>2 out of 6 students (33%) will achieve in the higher bands in NAPLAN.</p> <p>2023:</p>	<p>If we follow a whole school approach to the teaching of phonics, grammar, cohesion of texts and punctuation, and use a common language of teaching text types we will provide opportunities for all students to write independently and confidently, then we will see an increased achievement in writing.</p>

40% of years 1 to 6 students (8 out of 19 students) to achieve a B grade or better in English for their end of year report and that and that 36% of students will achieve in the higher bands in NAPLAN.

45% of years 1 to 6 students to achieve a B grade or better in English for their end of year report and that 36% of students will achieve in the higher bands in NAPLAN.
